GENERAL INFORMATION

GCE

Sixth Form students are studying for GCE A Level specifications. A Level subjects will now only be examined at the end of two years' study.

Some A Level modules may be coursework, controlled assessments, performance or portfolios rather than timetabled exams.

A detailed syllabus list, showing individual unit and aggregation codes, is on the College website. Further details can be obtained via links on the Subject Information page at the front of this handbook. These take you to the relevant pages on the Exam Boards' websites where you will find a copy of the specification as well as past papers and mark schemes to help with revision.

CAMBRIDGE TECHNICALS & CAMBRIDGE ADVANCED NATIONALS

Level 3 Extended Certificate in Business and Cambridge Advanced National in Health & Social Care Extended Certificate are studied and examined over two years and are equivalent to one A Level each.

Level 3 Foundation Diploma in Sport and Physical Activity: The four units are studied and examined over two years and are equivalent to 1.5 A Levels.

Level 3 Extended Diploma in Sport and Physical Activity: Studied and examined over two years and is equivalent to 3 A Levels.

ENTRY INFORMATION

PROVISIONAL EXAM TIMETABLE

- You will be issued with provisional summer entry information by tutors in March.
- **It is your responsibility to check carefully** that your entries are correct. Any discrepancies must be discussed **immediately** with your subject teacher and the Exams Officer.
- **Personal details** (spelling of names, date of birth) **must be correct** and correspond with those on your birth certificate as this is the information that will appear on your certificates.
- Your legal name, not preferred name, will be used for exam entries and this is the name you **must** write on all exam papers. If your name has been changed by deed poll, you must send in proof so that the exam boards can be notified before your certificates are printed. If you are planning on changing your name, please let the Exams office know, as you may be able to use your new name before changing it legally.

TIMETABLES

- A copy of the college timetable for Summer 2027 exams will be available on the college website as soon as it becomes available.
- Nearer the time, you will be issued with an individual timetable showing your specific exam details with date, time and duration of exams. **It is your responsibility to ensure you use the most up to date version of your individual timetable if changes are made to your entries** - you may have been entered for / withdrawn from an exam. The date it was printed will show on the bottom of your timetable.

TIMETABLE CLASH

- You may have a **timetable clash** with more than one exam timetabled at the same time:
 - two or more exams in the same subject timetabled together are common and this does **not** constitute a clash.
 - Special arrangements will be made, involving supervision between exams, and these will be shown on your timetable.
 - You should bring your lunch and a drink with you to have during your supervised break.
 - You will be allowed to revise for the next exam whilst under supervision using written notes only.
 - You may have a clash of three exams in different subjects. If the total duration does not exceed six hours, the exam boards will insist that these are sat on the same day and will **not** accept an application for special consideration. In this situation you would be allowed a short break between each subject.
 - If you have three or more exams timetabled for the same day with a total duration of **more than** six hours, you will normally be allowed to take the exam no later than the following morning, including Saturdays. There are stringent conditions attached to this involving overnight supervision and you and your supervisor must sign a confidentiality agreement to show that you understand your responsibilities.

CENTRE and CANDIDATE NUMBERS

- You are required to write the following information on **all** your exam scripts:
 - Centre No: **17219**
 - Personal Candidate No (or Exam Number)
- Your candidate number will appear on your entry information and there will also be an ID card on your desk showing this.

COURSEWORK & PORTFOLIOS

COURSEWORK / PORTFOLIOS

- Deadlines for completing coursework or portfolios will be given to you by your subject teacher.
- Failure to hand in work in on time will result in a 'zero' mark being given for that module which could mean that an overall grade cannot be awarded for that subject.

PLAGIARISM & REFERENCING

- You **must** familiarise yourself with the **JCQ: 'Information for Candidates: Controlled Assessments, Coursework'** (on the College website).
- Particular attention is drawn to the section on plagiarism and referencing.
- You will be required to sign an authentication statement to accompany your work confirming that it is your own work and where applicable have referenced the use of artificial intelligence tools and that you have read and followed these regulations.

TRIAL EXAMS

Trial exams for Sixth Form students will take place on the following days:

Upper Sixth: Monday 18th Jan – Friday 22nd Jan 2027

Lower Sixth: Monday 8th Feb – Wednesday 10th Feb 2027
Monday 21st June – Thursday 24th June 2027

STUDY LEAVE

UPPER SIXTH: Study leave commences on **Friday 7th May** following the Leavers assembly.

REGISTRATION

- You do not need to go to registration or sign out whilst on study leave **if** you just come in for your exam – we will know when you are in an exam - however;
- if you are in College **at any other time** (i.e. staying in College after an exam or coming in for revision) you **must sign both –in and -out** in the **dining area** otherwise we will assume that you are leaving the site straight away.
- **For Health and Safety reasons, we need to know who is in College if there is an emergency.**

RESULTS

Results of summer exams will be emailed to your college email address on **Thursday 12th August** from 8.00am.

POST RESULTS SERVICE

If you are unhappy with a result, you should see your subject teacher and/or the Exams Officer immediately to discuss the following services which are available:

ACCESS TO SCRIPTS (ATS) SERVICE

Certain scripts can be returned on request to:

- Decide whether to request a review of marking (**priority** service only).
- Help you understand where marks were obtained or lost.
- Illustrate strengths and weaknesses.
- Help you prepare for a re-sit.

Priority scripts must be applied for by **24th September 2027** if you wish to see the script before deciding on a review of marking.

ATS services are not available for all subjects or papers.

REVIEW OF RESULTS (RoR)

If you are unhappy with a grade, or very close to the next grade, you can challenge the marking:

- This is for written papers only; coursework cannot be reviewed.
- Your written **consent** is required for a review of marking to show that you understand that your mark and subject grade may be raised, lowered, or remain unchanged.

Priority reviews must be applied for by **19th August 2027** if your university place depends on the outcome. You should discuss this option with 6th Form staff and/or the Exams Officer **immediately** you receive their results.

This service is not available for centre assessed coursework.

Full details and deadlines for PRS services will be on the Freman College website.

THERE IS A FEE FOR ALL POST RESULTS SERVICES, PAYABLE AT THE TIME OF REQUEST.

CERTIFICATES

GCE certificates will be available for collection from the College office from the middle of November. The Exams page of the College website will be updated as soon as they become available.

You may:

- Have them presented to you at Certificates Evening at The Bury in December 2027 or January 2028.
- Collect them from reception.
- Nominate someone to collect them on their behalf (including siblings still attending College).
- Candidate to arrange for them to be collected by Royal Mail/Courier. Notify college of collection time so certificates are ready for collection.

It is very important that you look after your certificates carefully – you WILL be asked to provide them when applying to college or for job.

Uncollected certificates will only be retained securely for twelve months after which time the College is allowed to dispose of them. Due to storage limitations, they will not be kept indefinitely.

The awarding bodies will not replace certificates that have been lost or damaged. You would have to apply to each exam board for a Certifying Statement of Results – there is a charge for this, approximately £50 per certificate for **each** exam board.

- A report would have to be submitted to the exam board for their consideration and **your work may not be accepted**.

3. MISSED EXAM (e.g. illness, injury, bereavement, domestic crisis)

- Notify the College as soon as possible.
- **Check** with the Exams Officer as to what **evidence** is required to send to the exam board.

In exceptional circumstances, if there is a **genuine** reason for missing the exam;

- An application for partial absence can be sent to the exam board together with **written evidence/medical certificate** explaining the absence.
- The exam board **may** award an overall GCE grade if a sufficient number of assessments have been completed.

If there is **not** a genuine reason for absence, an overall GCE grade would not be awarded.

Failure to provide written evidence in all cases will result in you having to pay for the entry yourself.

4. ILLNESS

- **Not well enough to attend College:**
 - See 'missed exam' above.
 - Generally, a doctor's certificate must be provided for **final GCE exams**, in order to apply for partial absence.
