
Personal Data

The JCQ require us to inform you:

- Awarding bodies may be required to provide a candidate's personal data to educational agencies such as DfE, WG, DE, The Skills Funding Agency, regulators, HESA, UCAS, Local Authorities, EFA and Learning Records Service (LRS). Additionally, candidates' personal data may be provided to a central record of qualifications approved by the awarding bodies for statistical and policy development purposes. Awarding bodies maintain a comprehensive archive record of candidates' examination results. The purpose is to provide an audit trail of the results certificated and to maintain an accurate record of an individual's achievements.
- Freman College will provide relevant personal data including name, date of birth, gender to the awarding bodies for the purpose of examining and awarding qualifications.
